Amendments to the Specification:

Please insert a new heading before BACKGROUND OF THE INVENTION.

The new heading should read as follows:

**CROSS REFERENCE TO RELATED APPLICATIONS**

Please insert the following new paragraph after the new heading above, immediately before  
BACKGROUND OF THE INVENTION.

The new paragraph should read as follows:

This application claims priority to and benefit of the U.S. Provisional Application Serial Number  
60/525,606, filed November 26, 2003 entitled, "ROTATIONAL COMPUTED TOMOGRAPHY SYSTEM  
AND METHOD."
